

WB 2.11.0 - Error #51

commenting out of html-code will ignored by droplets

2017-05-24 09:12 - Frank

Status:	Rejected	Start date:	2017-05-24
Priority:	Normal	Due date:	2017-08-19
Assignee:	Dietmar	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
If you commenting out a <!-- html block --> in template index.php, a droplet inside of this block will executed. This should not happen.			

History

#1 - 2017-08-19 16:08 - Dietmar

- Status changed from New to Rejected
- Assignee set to Dietmar
- % Done changed from 0 to 100

Can't be fixed, Droplets will be execute by Outputfilter
Please set spaces between Brackets like [[]]
so Outputfilter don't find a droplet in the comment

#2 - 2017-08-19 17:49 - Dietmar

- Due date set to 2017-08-19
